

CIA Subcommittee of House Armed Services

4 August 1964

Present: Vinson, Rivers, Hebert, Price, Bennett, Huddleston, Arends,
Bray, Osmers

DCI commented on covert operations in North Vietnam previously conducted by CIA but turned over to MACV. - many disappointments - number of teams rolled up - sabotage efforts not too significant - North Vietnam people not receptive or in mood to assist South Vietnam teams.

See paragraph 23, page 13, Memorandum for the Record -- 18 August 1964
